This schedule provides for one unstructured ride each month (1st Saturday), and one structured ride (led by a Road Captain) each month throughout the riding season. These rides list destinations in all directions from the Sugar Grove area, so there should be something for everyone to enjoy.

Depending on the weather, some rides may not be conducted, so members are encouraged to call the listed Road Captain whenever questionable weather occurs. The object of these rides is to have fun, and safety is our top priority.
